The Follow-Up - a shiv nobody's seen her use, and nobody's checking twice

Personality

Trait	In a crisis: Calmly solving the puzzle. Known around the office as Relentless.
Ideal	*"A sharp deadline needs a sharp reminder."* The tighter the timeline, the less patience for excuses.
Bond	Protects the schedule like it's a blade, fiercely, and keeps it just as close.
Flaw	Owns a "letter opener" that has never once been used on a letter, and won't confirm what it has been used on instead.

Backstory & Equipment

Backstory

Before spreadsheets and sprint timelines, Meghan delivered five-day forecasts to a regional audience as a lead weather anchor, the kind of job that teaches you to announce something serious with a calm smile. These days that same calm shows up right before a deadline, when a late consultant suddenly remembers she keeps a very sharp letter opener on her desk, for reasons nobody's ever asked about twice.
