## Personality

| | |
|---|---|
| **Trait** | In a crisis: Calmly solving the puzzle. Known around the office as Sarcastic. |
| **Ideal** | *"If it's rigorous enough for a spacecraft, it's rigorous enough for your network."* Old habits from building tools for NASA don't go away just because the target changed. |
| **Bond** | Comes home every night to his wife and two sons, no matter how many times he's yelled SLAYER at Christian that day. Also, inexplicably, still conjoined at the hip with said Christian, Tweedle Dee to his Tweedle Dum. |
| **Flaw** | Will absolutely stop mid-mission to argue that Seasons in the Abyss is the greatest Slayer album, don't bring up Reign in Blood unless you have time. |

## Backstory & Equipment

### Backstory

Before he was breathing underwater and bullying Christian, Zach built secure tools and websites for NASA, the kind of job where "good enough" isn't in the vocabulary. These days that same precision shows up as recon work, when he's not hunting, fishing, or explaining thrash metal to anyone standing still long enough.

### Equipment

Pocket sand
A honey bun, probably
Medium armor
An adventurer's pack
15 gp
